Items listed are available in face application only.

Static Stick Decals are spot color printed and are recommended for indoor use only. These clear decals are often used on the inside of a vehicle window. Static Stick Decals use no adhesive, yet the cling holds the decals firmly in place.

The sizes and shapes listed are the most popular for schools and organizations. Additional sizes and materials are available, please contact us.

REMEMBER White is a color on clear material and is priced as an additional color. White is highly recommended to improve ink opacity and contrast.
